

Licensing

During Høstgasshukuen in Bergen, 21-24 November, there will be an opportunity for licensing as follows:

Dommer: A - B - C - D

Gradering: C - D

Director: B - C - D

Practical licensing will be **on Friday 22 November at 15.00-16.30**

NB. There is a reservation to change the time for practical licensing based on the number of people who sign up for licensing.

Theoretical licensing will be **on Saturday 23. November at 09.15-09.50**

Sensor: Imura sensei, 8th dan JKA, Clementsen sensei 6th dan JKA and Technical Committee JKA Norway

Licensing Guidelines:

Here is an overview of which licenses you can take based on what belt degree you have, and what order the different licenses must be taken in. During the autumn gas shuku, you can take a D-D-D license at the same time.
